

## Employment at GSI

Have you been looking for a new career opportunity?

Are you seeking a position that will allow you to help make a difference?

Have you been looking for a new career opportunity?

Are you seeking a position that will allow you to help make a difference?

At Geotechnical Services, Inc. we understand what it takes to succeed in today's business climate. GSI is an innovative industry leader in geotechnical, environmental, and material engineering, known by our clients for our technically superior, quality work delivered on time. The company provides consulting services, contract drilling, and investigative services on a wide range of projects.

Be part of our success and take advantage of the excellent employment options that GSI has to offer. Positions are available ranging from entry-level field technicians to project managers at various GSI locations. We do our best to provide you with the opportunities and training needed to allow you to grow as a professional in our industry.

GSI offers competitive wages commensurate with your experience level along with an outstanding benefit package including: Medical, dental, life, and long-term disability insurance; 401(k) profit sharing plan plus guaranteed match; employee stock ownership; Section 125 cafeteria plan; paid time off.

If you are looking for a career opportunity with a growing Midwestern firm, please submit your qualifications.
